

REMARKS

Claims 11-22 are pending. Claims 1-10 were canceled. New claims 11-22 were added. The limitations of the new claims are described below. Withdrawal of the outstanding rejection is respectfully requested for at least the reasons set forth below.

Drawings objection

Figs. 11A-11D and 12A-12B were amended to address the drawings objections.

Prior Art Rejection

The rejection of claims 1, 2 and 8-10 over JP 62-210861 is moot in view of the cancellation of these claims.

New claims 11-22

Claims 11-22 are believed to be allowable because each of these claims include at least one limitation of dependent claims 3-7 which were indicated as being allowable, as follows:

Claim	Allowable limitations
11	1+4
12	1+5
13	1+6
14	Dependent on allowable claim 11
15	Dependent on allowable claim 12
16	Dependent on allowable claim 13
17	Dependent on allowable claim 11
18	Dependent on allowable claim 12
19	Dependent on allowable claim 13
20	1+7
21	1+portions of allowable claim 3
22	Dependent on allowable claim 21, also includes all limitations of allowable claim 3

Conclusion

Insofar as the Examiner's rejections were fully addressed, the instant application is in condition for allowance. A Notice of Allowability of all pending claims is therefore earnestly solicited.

Respectfully submitted,

Mitsuhiro Matsuo et al.
